

**Actions of the People's Advocate Institution
undertaken between April 4 and 8, 2022**

- investigation conducted at the Romexpo Exhibition Centre, on April 7, 2022, aimed at verifying the way in which the competent authorities manage the reception conditions of Ukrainian citizens who entered Romania after February 24, 2022;

- investigation carried out at the Albița Border Crossing Point, Vaslui County, on April 5, 2022, aiming to verify the observance of the rights of immigrants from Ukraine entering Romania through this border crossing point;

- ex officio proceeding following the articles published by *Save the Children* on the situation of refugee children from Ukraine who enter Romania unaccompanied and requests addressed to the General Directorate of Social Assistance and Child Protection Argeș and the General Directorate of Social Assistance and Child Protection Vâlcea, as well as to the Save the Children Organization - Argeș branch, in order to get an overview of the situation of refugee children and the measures taken provide them access to education, medical services and practical information on legal formalities.
