

**Actions of the People's Advocate Institution
undertaken between 8 - 12 August 2022**

- ex officio proceeding and request for information addressed to the Prosecutor's Office attached to the Sector 1 Court of Bucharest, regarding a possible violation of Art. 22 (the right to life and to physical and mental integrity) and Art. 49 (protection of children and young people) of the Romanian Constitution, considering the information that appeared in the mass media, according to which *a Ukrainian refugee in Romania, accused of raping a little girl, the daughter of other Ukrainians, was declared wanted at national level.*
